

REMARKS

In response to the Notice of Non-Compliant Amendment of January 11, 2006 for the above-captioned patent application, the amended claims are resubmitted, including a complete listing of the claims and the text of all pending claims (including withdrawn claims).

Applicant is puzzled about why the amendment to the title was objected to because the original title was cancelled and a substitute title provided. Perhaps an amendment by brackets and underlining is preferred; and, accordingly, amendment of the title in that style is presented.

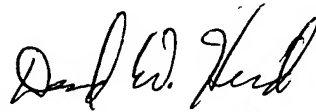

No fee is believed to be required for this Response to Notice of Non-Compliant Amendment. If a fee is required, please charge the fee to Deposit Account No. 50-2257. This paper is submitted in duplicate.

If the Examiner has any questions, he is requested to telephone Applicant's attorney at the telephone number listed below.
